

**The Canadian Society of
Clinical Hypnosis**

Mission Statement: To promote the use of hypnosis in clinical practice by regulated health professionals, according to the highest ethical principles, through education and training, collegial support, and liaison with other professional hypnosis societies.

**COMPONENT SECTION:
AMERICAN SOCIETY OF CLINICAL
HYPNOSIS**

The Fundamentals of Hypnosis

an

Introductory Workshop

March 1 and 2, 2019

**Royal Canadian Military Institute
426 University Ave., Toronto, Ontario**

CONFERENCE COMMITTEE:

Lynn Marshall M.D., Deborah O'Sullivan M.A., Au.D.,
Irwin Altrows Ph.D., Arpita Biswas Ph.D.,
Carolynn R. Campbell MSW, Sid Freedman Ph.D., Ellie Kanigsberg B.O.T.,
Piret Koppel M.A., MFT, RSW, and Chris Lobsinger MSW,
with contributions from CSCH-OD Board Members from multiple disciplines.

Hypnosis in Medical & Psychotherapy practice: Hypnosis with Certainty

The CSCH-OD Fundamentals of Hypnosis Workshop provides clinical training in both the theory and application of hypnosis in the clinical practice of medicine and psychotherapy for those who have never practiced hypnosis. Based on evidence-based best practices, the workshop uses a combined format of lecture, demonstration and supervision to develop clinical hypnosis skills. Participants will be taught how to present hypnosis to a patient, how to do a number of different hypnotic inductions, and how to apply these in their practices. Participants will practice in small group sessions with individualized supervision, leading to the development of selected skills. The goal of the workshop is to provide the requisite training so attendees can begin utilizing hypnosis in clinical practice the day after the workshop.

This will be a highly interactive two days, with a minimum of 25% of workshop time spent in question and answer discussions, learning from case vignettes, video and live demonstrations and practice of induction techniques.

Objectives:

At the end of the workshop, participants will be able to:

1. Identify, demonstrate and discuss the practical application of at least four ways of inducing a hypnotic trance and re-alert a subject from a trance;
2. Identify, demonstrate and discuss the practical application of two methods of self-hypnosis;
3. Demonstrate and discuss practical application of two methods for deepening trance; and
4. Describe four clinical conditions in which hypnotic techniques may be used.

Introductory Workshop Certificate Requirements:

- Pre-workshop reading
- Participation in all workshop activities
- Completion of post-workshop assignment: case-study outlining experience using hypnotherapy with a client.
- Post-workshop 90-minute teleconference with mentor 1 - 2 months following workshop.

All of these components are required in order to receive your **Certificate of Completion**. This format provides you with reinforcement and support as you begin to integrate hypnosis into your clinical practice.

The Fundamentals of Hypnosis

Friday, March 1, 2019

- 7:30 a.m. Registration and Breakfast
- 8:00 a.m. Introduction of faculty, overview of workshop
- 8:10 a.m. Myths and misperceptions of hypnosis; what hypnosis is and isn't
- 8:50 a.m. Physiological basis of hypnosis (sympathetic/parasympathetic) and theories of hypnosis
- 9:20 a.m. What do you tell the patient/client?
- 9:45 a.m. Refreshment Break
- 10:00 a.m. Principles and process of induction, deepening, post-hypnotic suggestions, re-alerting and debriefing
- 11:00 a.m. Demonstration of Induction #1
- 11:15 a.m. Questions and answer, what is expected in small group practices
- 11:30 a.m. Small group practice #1
- 12:30 p.m. Lunch
- 1:15 p.m. Hypnotic phenomena and their therapeutic applications, with clinical examples
- 2:00 p.m. Concepts of hypnotic suggestibility, formulating suggestions
- 3:00 p.m. Refreshment Break
- 3:15 p.m. Demonstration of Induction #2
- 4:00 p.m. Small Group practice #2
- 5:15 p.m. Wrap up and questions and answers
- 5:30 p.m. Adjourn

Saturday, March 2, 2019

- 7:30 a.m. Breakfast
- 8:00 a.m. Strategies for managing resistance to hypnosis
- 8:30 a.m. Self-hypnosis
- 9:00 a.m. Integrating hypnosis into practice
Applications -two streams: Stream 1. Medical, 2. Psychotherapy
- 10:15 a.m. Refreshment Break
- 10:30 a.m. Demonstration of induction #3
- 10:50 a.m. Small Practice groups #3
- 12:00 p.m. Lunch
- 1:00 p.m. Mentorship assignment
- 1:15 p.m. Treatment planning
- 2:00 p.m. Demonstration of Induction #4
- 2:30 p.m. Small Group Practice #4
- 3:30 p.m. Refreshment Break
- 3:45 p.m. Ethical principles and Professional conduct
- 4:15 p.m. Questions and answers, and workshop evaluations
- 4:30 p.m. Adjourn

Discussion, supervision in small group practice, and Q & A will play a prominent role in the program: a minimum of 25% of workshop time will be allotted to interaction.

Post-workshop teleconference with a mentor - 90 minutes.
Takes place within 1 - 2 month's following the workshop.
Homework assignment - case-study - 2 hours

Faculty

The CSCH-OD Introductory workshop: The Fundamentals of Hypnosis is taught by a highly qualified faculty. All are members of the Society and have extensive training and experience in the clinical application of hypnosis in their respective fields. The members of the Faculty for this workshop are:

Dr. Allen Rodgers, M.D. Peterborough, Ontario

Allen Rodgers is a medical doctor practicing in Peterborough. He attended Dalhousie University for his undergrad and completed medical school there in 1978. Following this, he completed a Fine Arts degree at York University in Toronto. Since then, he has been practicing Emergency Medicine.

Always aware of the limitations of traditional western medicine, he attended an Intro workshop in Hypnosis in 1989, and then furthered his studies with the National Guild of Hypnotists. Again looking for options when medicine was not providing the answers, he has been studying and practicing acupuncture for the last twenty years.

Currently Dr. Rodgers practices Emergency Medicine two to three days a week, and hypnosis and acupuncture two to three days a week. Having different modalities to approach a problem makes it less likely to try to fit a square peg into a round hole. He uses hypnosis to treat anxiety disorder, phobias, functional bowel disorders, somatization and PTSD.

He has a small hobby farm in Peterborough where he and his wife raise a red deer/elk hybrid. Soccer is also somewhat of a passion (Arsenal is his team).

Sandeep Hunjan, Ph.D., C. Psych. Toronto, Ontario

Dr. Hunjan is a clinical psychologist who earned her Ph.D. from the University of Windsor. Her practice includes clinical, rehabilitation and health psychology. She has worked extensively in the area of trauma (with survivors of sexual and physical assault, motor vehicle accidents, workplace injuries and disease, and veterans) in a variety of settings in Canada and the United States. Her philosophy of practice is holistic and client-centred.

Dr. Hunjan emphasizes an integrative and collaborative approach using treatment modalities including hypnosis, cognitive behavioural therapy, and energy psychology to help individuals, families, and groups deal with a variety of issues such as depression, anxiety, post-traumatic stress, weight loss, pain, smoking cessation, performance enhancement, self-esteem and stress management.

In her teaching activities, Dr. Hunjan has worked with St. John's Rehab Hospital, the Toronto Police Department and the Vulva Girl (a support group for women who experience sexual pain). Following almost five years as a psychologist with St. John's Rehab Hospital's Back on Track Serious Injuries Clinic, Dr. Hunjan has been in full-time private practice for the past nine years with offices in Toronto, Pickering and Whitby. She uses hypnosis extensively in her practice, and loves how it helps and empowers her clients.

Dr. Bill McKeough M.D.
London, Ontario

Dr. McKeough is a Family Physician practicing in London, Ontario. For the past 34 years he has incorporated Hypnotherapy into his general Family Practice. He is also the former Site Chief for Family Medicine at St. Joseph's Hospital and University Hospital in London as well as the former Medical Director of the Palliative Care Unit at those same hospitals.

He is an Associate Professor at Western University and a part-time teacher at the Schulich School of Medicine and Dentistry.

Dr. McKeough uses Hypnotherapy to treat Anxiety, Phobias, Insomnia, Bruxism and Chronic Pain.

Carlton Brown, M.Sc., M. Div., RP, RMFT
Hamilton, Owen Sound, Ontario

Carlton Brown is a Registered Psychotherapist in private practice. He had a first career as a physiologist, a second career as a minister, and for the past 25 years a third career as a family therapist, which seems to bridge the gap between the first two careers.

Carlton completed his Bachelor and Master of Science at the University of Toronto, and his Master of Divinity at McMaster University. He studied pastoral counselling in Sudbury and then did a two-year post-degree internship at Wilfrid Laurier University, obtaining his Clinical Fellowship and Approved Supervisor designation with the American and Ontario Associations for Marriage and Family Therapy. While building his private practice he worked as an emergency room and psychiatric chaplain.

Carlton's training was steeped in the work of Milton H. Erickson. He went back to his roots in 2015 and attended the Erickson International Congress in Phoenix, signing up for everything he could find in hypnosis. He joined the American Society of Clinical Hypnosis in 2016 and the Canadian Society of Clinical Hypnosis - Ontario Division in 2017.

Carlton lives in Northern Bruce Peninsula and practises in Hamilton and Owen Sound. He also teaches courses in postmodern therapy, mental health, and research at the University of Guelph.

Chris Lobsinger, MSW, RSW
Kitchener-Waterloo, Ontario

Chris Lobsinger, M.S.W., RSW, has more than twenty-five years experience in clinical social work including children's mental health, family service agencies, Corrections, and private practice. His training includes degrees in psychology and social work from Wilfrid Laurier University, two years of live supervision in brief, collaborative therapy with internationally-recognized clinicians, and a variety of hypnosis workshops with prominent Ericksonian and traditional hypnotherapists. Chris is a Board Member of the Canadian Society of Clinical Hypnosis – Ontario Division.

Chris has presented at national and international conferences, and in 2002 was appointed to the adjunct training faculty at the Hincks-Dellcrest Institute in Toronto. He works effectively with children, youth, and adults, and lives in Kitchener-Waterloo where he has maintained a full-time private practice for the past thirteen years. Chris' experiences as a musician, actor, traveler, and outdoorsman greatly inform his warm, creative, and practical presentation style.

Carl Lokko, MSW
London, Ontario

Carl Lokko, was educated at University of Ghana, Wilfrid Laurier University, and at Florida State University. He has been practicing as a Clinical Social Worker for the past 22 years focusing on individual, groups and family counselling and psychotherapy. He has extensive experience in the field of community-based brain injury rehabilitation and chronic pain management following motor vehicle accidents. He practices hypnotherapy, and is a Board member of the Clinical Hypnosis Society of Canada-Ontario division. Carl's private practice is Oasis Counselling and Consulting Services, which is located in London, Ontario. In addition to serving clients at his office in London, Ontario, Carl does house calls across Southwestern Ontario. He enjoys reading, sports, solving puzzles, comedy, a wide range of music, and spirituality.

Bursary

In 2007, we established a fund for students for whom financial hardship might prevent them from attending the workshop. This fund was named after Ernest and Kathryn Rossi, who have made considerable contributions to hypnotherapy. Two small bursaries of \$75 will be provided to help defray the cost of registration.

Eligible students may send an email to: EdCommChair@csch-od.ca providing information about themselves, including their area of graduate study. All such information will be kept strictly confidential.

Payment Options

We accept payment by cheque, VISA or MasterCard by mail. Putting your credit card number in an email is not recommended as electronic copies of your email are hard to control or secure.

We also accept PayPal from links on our website, www.hypnosisontario.com. The PayPal button on the workshop page will show the early bird prices until close of business on the cut-off date. Please note that paying by PayPal is not the same as ordering online; unless you are already a CSCH-OD member, you will need to provide the necessary information on the registration form to establish eligibility. Please make sure you are eligible before you pay, because we could start the registration process as soon as the payment is received.

The registration form and proof of eligibility can also be emailed as a scanned document (E-mail address: admin@csch-od.ca).

Cancellation Policy

Cancellations are permitted if at least two weeks' notice is provided; However, a \$25 administrative fee will be retained. Cancellations in the week before the workshop are subject to a refund minus the cost of the venue and food (approximately \$150.)

Workshop Information

For inquiries about the workshop content, contact one of the CSCH-OD Board members via: Questions@csch-od.ca

Workshop Venue

The workshop will take place at the **Royal Canadian Military Institute**, 426 University Ave., Toronto, Ontario, which is located on the west side of University, just south of Dundas St.

For those taking public transportation, the closest subway stop is St. Patrick station.

Parking: Paid public parking is available off Simcoe St behind the RCMI and off St. Patrick St.

The Club has some rules we must respect: **Please do not wear jeans or running shoes.** Otherwise, casual dress is permitted. Also, please respectfully refrain from using cell phones inside the RCMI.

Accommodation: Rather than list hotels and risk our information being out of date, may we suggest you enter "hotel near 426 University Ave, Toronto" in your favourite search engine?

Attention Non-Members

Become a member of CSCH-OD and enjoy discounts on future workshops!

Membership is \$160 a year.

Successful participants from this Introductory workshop who wish to become CSCH-OD members will receive a \$25 discount on the membership fees.

For membership information and an application form, see our website: www.csch-od.ca

Eligibility

Applicants for training at any CSCH-OD workshop must be regulated by a College under the RHPA, the OCSWSSW or the CRPO (or their equivalents in other provinces or states) and they must have at least a Master's degree.

In some circumstances, students in appropriate graduate programs or regulated professionals with experience but no Master's degree may also be eligible. See the web site for the full conditions and required documentation.

Attention All Registrants

We will be providing some of the didactic materials in advance (details will be sent once your registration is complete). The workshop credit requirements are as follows:

- 1. Registrants are required to read the appropriate material prior to attending the workshop and you will have to confirm in writing that you have completed this task.**
- 2. Attend all workshop activities.**
- 3. Following the workshop, you will be required to spend up to 2 hours to complete a small assignment in which you will write up one application of hypnosis in your work with a patient/client (in the case of students, alternate arrangements can be made) and to submit this to a mentor (details to be provided at the workshop).**
- 4. Participate in a 90-minute post-workshop teleconference, 1-2 months following the workshop.**

We also need to maintain strict time limits for each session. Please plan to arrive on time and to stay for the whole program on both days. That way, you won't miss any of the didactic information or practice sessions.

Registration Fees

Early Bird price	\$600
After February 1, 2019	\$650
Students*	\$350

Registration will open November 1, 2018
Registration will close February 21, 2019

Fees include a hearty breakfast, two breaks and lunch on both days, and a copy of the book:

Hypnotic Induction and Suggestion
by D.C. Hammond.

* Students must provide a document confirming that they are currently full-time in an approved course; it must specify which course and school they are in and must be signed by their supervisor for them to be eligible to attend the workshop.

Registration Information

You will receive an e-mail confirmation of your registration. All communications are by e-mail, so please make sure your e-mail address is clearly written.

If you have any questions about registration, please contact: Roxanne Martel at admin@csch-od.ca
